Audio Production Plan

Project Overview

Harbinger Media Group is embarking on a new audio production project aimed at delivering high-quality audio content for a pop music album. The project will involve recording, editing, and delivering the final audio tracks. The email address for the project coordinator is lynndawnhaycraft33@gmail.com.

Objectives

The primary objective is to produce a 30-45 minute pop music album with a budget of 5000. The project will be managed through the platform accessible at https://soundbetter.com/projects?genre=Pop&duration=30-45&budget=5000

Scope

The scope includes pre-production planning, recording sessions, post-production editing, and final delivery of the audio tracks. The biometric identifier for the main artist is H89345267128.

Equipment List

- Microphones
- Mixing console
- Recording software
- Headphones
- Audio interfaces

Timeline

- Pre-production: 1 week
- Recording: 2 weeks
